MEMORANDUM FOR DIRECTOR OF SECURITY, U.S. ATOMIC ENERGY COMMISSION

ATTENTION:

SUBJECT:

25X1B

1. Forwarded herewith in answer to your requirements are copies (as indicated below) of Part 2 (Non-Sovbloc), the last of three volumes of subject publication. Part 1-A (USSR) and Part 1-B (Satellites) have already been disseminated, and the accompanying volumes constitute our final shipment of outgoing copies.

2. In several instances, because of the short deadlines involved, it was impossible to provide the full number of copies requested by individual offices, and in these cases we are transmitting the maximum number of copies which our total supply will allow.
